### Registration Requirements

The 29<sup>th</sup> National Mustang Convention is open to all current financial members from any of the six recognised Mustang Owners Clubs around New Zealand.

### Car Show

You may enter more than one car in the car show, however each car entered may only be judged under one class in the 1-23 classes. All cars are eligible for awards in A – G. The car show is about having a large variety of Mustangs on display, whether it's your daily driver or your show room treasure, so don't hesitate to register it for display. If you love it – someone else out there would love to see it too. You are not required to have your car judged if you wish to display your car in the car show – just indicate "NFJ" on the attached registration form.

### Convention Shirts

Convention Polo Shirts need to be pre-ordered and pre-paid prior to the registration cut off date.

NB: There will NOT be any spares available for sale on the registration night.

### Early Registration:

**Register by 31 July and be in the draw to win a cool Flat-screen TV,  
to be drawn on Registration Evening, and you need to be there to win!**
