LABOUR WEEKEND

FRIDAY 24TH TO MONDAY 27TH OCTOBER 2008

Christchurch – New Zealand

29th National Mustang Convention – October 2008

On behalf of the members of the Canterbury Mustang Owners Club, I would like to invite you to attend the 2008 National Mustang Convention, being held in the Garden City of Christchurch, over Labour Weekend 2008.

The Convention commences Friday evening with Registration and winds up Monday morning with a farewell breakfast, with a feast of events in between. In the following pages you will find a summary of events for the weekend.

For those who have attended an annual Mustang convention before, you will know that it's about mixing and mingling with other mustang enthusiasts from around the country, hearing their stories and admiring their beasts on display. This year is shaping up to be a real cracker and we sincerely hope to see you and your car down here in Canterbury at Labour Weekend.

A very big THANK YOU to all our sponsors. Without your generosity, this weekend would not be possible and we sincerely appreciate all of you for your great support of this event.

With the help of these sponsors, we look forward to setting the scene for an enjoyable and interesting convention weekend, so get the paperwork done as soon as you have finished reading this booklet. As an incentive, to get yourself sorted early, there is a great prize on offer for earlybird registrations.

Hope to see you in October!
